Sponsorship Opportunities

Continuing the good work of The Community House Association
as a Community Foundation
EIN: #38-1256004

About Us

The Birmingham House Tour is an annual event that offers attendees a unique opportunity to explore beautiful homes in the Birmingham/Bloomfield area. The tour showcases a curated selection of private residences, each reflecting unique design styles, exceptional craftsmanship, and inspiring interiors. Guests enjoy the opportunity to find design inspiration, explore the latest home décor trends, and experience the unique character of Birmingham's neighborhoods—all while continuing the good work of The Community House Association as a community foundation. Your attendance will go towards supporting our mission to strengthen and uplift surrounding communities through grantmaking and mentorship to area nonprofits who support education, wellness and cultural vitality, as well as provide scholarships for local students pursuing education beyond high school.

At a time when nonprofit organizations, many of which provide essential services, are facing funding shortfalls, the Community Foundation will support small and medium sized nonprofit organizations and scholarships for students located within a roughly 10-mile radius of Birmingham – from Oak Park to Pontiac. We can connect your passions to the causes you care about most and manage the details, so you can focus on making a difference. We also help nonprofits at every stage, with mentoring from those just getting started to those already making an impact and expanding their reach.

Together, we can build a future by helping students get the chance to succeed, giving nonprofits more resources to serve and every act of generosity ripples outward for generations. Now is the time to support The Community House Association as it enters its next chapter as a community foundation, continue to be a source of stability, creativity, and compassion for our community.

Sponsorships

All sponsorship levels include recognition on marketing materials, the Community Foundation website, and social media, along with the opportunity to include promotional materials in over 500 guest bags distributed at the event.
